

CA' MOMI ROSSO DI NAPA NAPA VALLEY 2014

We are three passionate, defiant seekers and visionaries who love to mindfully eat, drink, and celebrate life. Inspired by our Italian heritage, our mission is to heartcraft wines with quality and integrity, deeply rooted in our Napa Valley soil.

Our 2014 Rosso di Napa brings California attitude back to Napa Valley wine. This freestyle red blend rocks its own style without pretension or snobbishness. Aromas of ripe blueberries, subtle campfire smoke, and that blackberry patch down the road put summer vacation in your glass. Intense plum, blackberry pie, and toasty spice mingle on the palate, with moderate tannins providing structure and character through the lingering finish. This wine is rich but not soft, bold but not arrogant. It's Napa red, demystified.
