

CA' MOMI BIANCO DI NAPA NAPA VALLEY 2014

We are three passionate, defiant seekers and visionaries who love to mindfully eat, drink, and celebrate life. Inspired by our Italian heritage, our mission is to heartcraft wines with quality and integrity, deeply rooted in our Napa Valley soil.

The 2014 Bianco di Napa is our drink of choice for la dolce far niente—the sweet, sweet feeling of doing absolutely nothing. This is a wine for the patio, the pool and the park. Its pretty gold color brightens any summertime gathering with aromas of pears bursting out of the glass. Light-bodied but soft and full of charm, the palate offers apples, spiced poached pears, and delicate floral aromas that extend for days. Perfect for picnics al fresco, or anytime you like.
