

CARICATURE

Wines of character with great legs -

2014 OLD VINE ZINFANDEL

BE A CHARACTER

You know how to fit in, even while standing out. And you like your wine the same way. Caricature wines are bold, fruit-forward expressive wines for everyday drinking, grown and harvested on a fifth generation farm in California's Lodi Appellation. These are wines with character, just like you.

TASTING NOTE

Our 2014 Old Vine Zinfandel is a vibrant wine bursting with juicy fruit flavors and a hint of spice. Dark raspberry and black tea tones carry through from the aroma to the first sip. The balance of fruit and spice make our Zinfandel distinctive and delightful.
