2013 CROZE CABERNET SAUVIGNON, OAKVILLE

The 2013 Cabernet Sauvignon is a standout wine for CROZE. The wine was produced using grapes from the famed Money Road Vineyard in Oakville. This area is home to some of the most sought after Cabernet's in the Napa Valley.

This wine opens with rich aromas of dark fruit, cigar box, and licorice. This wine has incredible complexity and body. The finish is long with lingering spice and silkiness. The tannins are firm but elegant.

The 2013 is beautiful now and has the finesse to age for years. We recommend decanting this wine prior to enjoying.
